

Yusuf Taniyici

202-510-5386 | yusuf@yusuftaniyici.com | github.com/ytanii

EDUCATION

University of Pittsburgh

Bachelor of Science in Computer Science

Pittsburgh, PA

Starting Aug 2026

Richard Montgomery High School

High School Diploma

Rockville, MD

2021 – 2025

- Relevant coursework: AP Computer Science A, AP Statistics, AP Calculus BC
- SAT: 1570

PROJECTS

Solutions to *Introduction to Java Programming and Data Structures* | *Java*

June 2025 – Present

- Worked through programming exercises from the textbook using core Java
- Covered object-oriented programming, arrays, recursion, exception handling, generics, and basic data structures
- Wrote, tested, and debugged programs across a range of difficulty levels

Text Search Engine | *Python, pandas, School Project*

December 2024 – May 2025

- Collaborated with peers during the project and met with client (my teacher) to define what project requirements and specifications are
- Built a command-line search engine that indexes and ranks text files by relevance using TF-IDF
- Computed word co-occurrence within a surrounding window to capture relationships between terms
- Used pandas to build and manage the term and co-occurrence matrices

EXPERIENCE

Burlington

Cashier / Customer Service Associate

Rockville, MD

April 2026 – June 2026

- Handled transactions, returns, and customer questions in a fast-paced retail setting
- Kept the checkout area stocked and organized; worked with the team to keep lines moving during busy shifts
